

The Deputy Director of Central Intelligence DDI- 8527/83

Washington, D.C. 20505

Executive Registry

83-5688

25 November 1983

NOTE FOR: NIO/S&T

SUBJECT: Soviet Scientific and
Technical Enigma

Julian:

I call your attention to STIC's
issue on Soviet enigma. Would like
your opinion as to which ones appear
most threatening to us because of our
lack of knowledge and suggestions you
have for what we might do about it.

John N. McMahon
